

LEVEL II NDT INSPECTOR

Wood Group Pratt & Whitney, a world leader in industrial engine overhaul, repair and maintenance services is seeking a Level II NDT Inspector for its Bloomfield, CT location. The successful candidate will be responsible for operating and maintaining the NDT line. Must have sound understanding of Pratt & Whitney Standard Practices manuals and exhibit a sound working knowledge of the FPI SPOP's. Individual will also adhere to EHS procedures as they relate to the NDT area and daily operations of the Clean Line. Candidate must have a good understanding of QMS processes and requirements of the QC department. The successful candidate will also act as a backup: operate and perform clean line tasks such as verifying tank levels, chemical concentrations, evaporator use and perform associated periodic inspections.

May work overtime as required. Employee must be able to read tech. manuals, safety instructions, and written directions. Must have good math skills. Must be proficient in use of Microsoft Office, email, and be able to work within company database systems.

Employee will be required to walk, sit, reach with hands and arms, kneel, and crouch, and handle parts with hands. Employee must have a high level of manual dexterity including hand-eye coordination. Employee must be able to occasionally lift and move up to 50 lbs. Must be able to use manufacturer's special tooling and lift and turn equipment. Employee will work with hazardous and non-hazardous chemicals with various tank temperatures. Use of PPE is mandatory. Full time position, hourly, first shift position.

Employee must have a high school diploma or equivalent, and additional specialized training with a min.2 years experience.

Must be ASNT-SNT-TC-1A or NAS-410 LEVELII PENETRANT INSPECTION (FPI) certified.
